

Magpie Puppets production of
The Three Little Pigs
at
Learning Circle Preschool

November 18th at 11 am

Mama Pig has had quite enough of cleaning up after her fully grown little pigs! She sends them off with affection and money to make their way in the world. Which little pig will build a house that can withstand the powerful puffs of the Big Bad Wolf—surfer Georgie, farmer Jeremiah or Amelia, the avid reader? Children share their favorite sports, veggies and books with the puppets.

\$10 per ticket with family max of \$30
