Program Description

Six Week Session

June 10 – July 18

Hours: 8:30 AM – 12:30 PM

Two or Four Days per week

The Summer Science and Arts Program at Learning Circle Preschool is an integrated arts enrichment program with a focus on the natural sciences, art, music, and creative movement.

Each day the program includes time for children to participate in both visual arts and music/creative movement classes along with time for snack, free play activities, and outdoor play, in a highly individualized and nurturing setting.

On the last Wednesday and Thursday in session, parents are invited to join the program for presentations and activities planned by teachers with the children.

The Curriculum

On any given day guided small group experiences might include:

- Participation in singing and circle games
- Sound explorations in the environment and with homemade instruments
- Explorations of color and color mixing
- Drawing from nature
- Scarf and ribbon dance
- Developing the props or puppets to improvise a personal story or re-enact a familiar one

On any given day the activity period might include:

- Sand and water play
- Painting, printing, drawing
- Creating with clay or playdough
- Building with large or small blocks
- Story telling and writing

On any given day outdoor play might include:

- Use of our spacious and well equipped playground
- Planting, gardening, and harvesting activities
- Exploration of the natural environment on the school grounds or on a walk to Brookwood Farm in the Blue Hills Reservation

A nutritious mid-morning snack, supplied by the school, is served daily.

REGISTRATION FORM

Please mail this page to Learning Circle Preschool with your payment. You can sign up for two days (either Monday/Wednesday or Tuesday/Thursday) or all four days. Payment in full is required at the time of registration unless otherwise arranged. Fees are not refundable unless the class is cancelled or unless a replacement enrollee can be found. It is possible to sign up for two or three week sessions when space allows – please call about availability. If your child has not previously attended Learning Circle, a registration package with forms required to be on file before your child's participation in the program will be sent. This includes a current immunization record and the date of your child's last physical.

SIGN UP FOR:

Mon. & Wed. 6/10– 7/17 \$ 550 _____
Tues. & Thurs. 6/11– 7/18 \$ 550 _____
4 Day Program 6/10 – 7/18 \$1100 _____
